

DOMAINE DE LA HAUTE-PORTE

CHASSES DE PRESTIGE

Waterfowl shooting

A few kilometers away from La Haute-Porte, a 64 acres pond offers a large variety of migrant and sedentary waterfowls. You will shoot common Pochards, Eurasian Teals and Snipes.

- Hunting method.

We organize 6 waterfowl shootings per hunting period, with maximum 6 guns.
Dogs are also welcomed for battues for waterfowl shooting.

- Organization of the shooting.

Departure of the shooting at dawn.
End of the shooting at 11 am.
Brunch after the shooting.

- The bag.

The bag is never the same for waterfowl shooting. Most of the time, we shoot at least one hundred pieces.

Rates - 2013

Waterfowl shooting
